**PERSONAL STATEMENT**

Compose a concise, well organized essay that encompasses information relative to the questions listed below, in the order listed.

The essay must be between 3,000 and 4,500 characters. This is comparable to 1 ½ to 2 pages that are single spaced using a 12 point font, with an extra line between paragraphs. The character includes spaces, tabs, and lines between paragraphs.

Introduce yourself to the committee and answer the following statements:

- Describe the development of your interest in a career in midwifery. Why have you chosen this degree rather than a degree in another field?

- Provide information on life experiences, cross-cultural interactions, areas of expertise, or knowledge, which may contribute to your achievements and success in midwifery education, research, or practice
- Describe your short term and long term professional goals.
