Please provide details of all educational activities in recent years:

List all high school, college, university, and other institutions you have attended.

Midwifery Prerequisites

There are two prerequisites all applicants must complete prior to entering the Midwifery program in Year 1: WRDS 150 and BIOL 155, or approved equivalent courses from outside institutions. The Biology prerequisite must be completed within 5 years of this upcoming September. If these prerequisites are in progress, you must provide an interim transcript by January 15th showing current registration in the course(s). If you are offered admission to this program, a final official transcript showing proof of completion must be received by June 30th. More information can be found on the [Midwifery website](#).

If you answer **No** to any question in this section, please contact the Midwifery Office at info@midwifery.ubc.ca prior to January 15th to request a review, or your application will be refused for missing prerequisites.

Have you completed UBC's WRDS 150 or a first-year English university writing equivalent to UBC WRDS 150 or completed a prior university degree (from an English speaking country) which would exempt you from this prerequisite?:

Institution where your English course or degree was/will be completed:

Course Code or Degree Name:

Have you completed UBC's BIOL 155 or any approved first-year Human Anatomy and Human Physiology course(s) equivalent to UBC BIOL 155?:

Institution where your Human Anatomy and Physiology course(s) was/will be completed:

Course Code(s):

Were your Human Anatomy/Human Physiology courses completed within five years of this upcoming September, or are you currently registered in courses to be completed before June 30?:

Awards, Publications, and Certifications

Have you previously received any academic awards or scholarships?:

List any awards and scholarships you have received. Include issuing body and year received:

Have you been involved in any relevant research or publications?:

List any research or publications and scholarships. Include publishing body/funding agency and year:

Most Recent Employer:

Type of Employment:

From (YYYY/MM):

To (YYYY/MM):

Previous Employer:

Type of Employment:

From (YYYY/MM):

To (YYYY/MM):

List other relevant employment history. Include start and end dates:

Short Answer Questions

Please provide short answers to the following questions. (Max 250 words, approx. 1400 characters)

What is your knowledge of the role of a midwife as a primary caregiver and what motivates you to be a midwife?:

How have you prepared yourself for Midwifery study? Please provide a brief description of activities that would support your future Midwifery practice:

A connection to community is an essential component to the practice of Midwifery. How will your education and practice in Midwifery enhance health improvement opportunities for those within your community base? Describe your community, how you came to position yourself within it, and your current role:

All accomplishments and activities which the committee should be aware

Please list any additional accomplishments and activities about which the selection committee should be aware. For example: academic, arts, athletics, and so on. (Max 700 words, approx. 1400 characters)

Personal Statement

Compose a concise, well organized essay that encompasses information relative to the questions listed below, in the order listed. (Max 700 words, approx. 1400 characters)

Introduce yourself to the committee and answer the following statements:

- Describe the development of your interest in a career in midwifery. Why have you chosen this degree rather than a degree in another field?
- Provide information on life experiences, cross-cultural interactions, areas of expertise, or knowledge, which may contribute to your success in midwifery education or practice.
- Describe your short term and long term professional goals.

****Note: Please do not introduce yourself with your name in the essay as all applications assessed are done so blindly to avoid any possible bias.***
